## Planning for the Future

### Planning for the Future

We are beginning to see some major steps being taken to ensure that we can meet our financial obligations and secure the future of our building. Many pledges have been made to the Challenge from Brother Bill DeVore and his challenge has been matched with room to spare! The article below this tells you about a major fundraising event that stands a very good chance of being highly successful and becoming an annual event that will generate a good amount of revenue.

Many other events are in the planning stage and will be announced in the near future, it is exciting to see the enthusiasm and the willingness to step up and make things happen from our membership.

It is a sure path to success so don't be shy, volunteer to help and be a part of the fun and fellowship!

**NOTE: Just a reminder, you will be receiving dues notices before long, please remember that the dues card you received a year or two ago is a permanent card you need to keep it. Each year you will receive a sticker**

to go on the card indicating the current dues year, you will NOT receive a new card.

## Wichita Zombie Paintball Shoot

### Wichita Zombie Shoot Fundraiser benefiting WSU RiteCare Clinic and Wichita Scottish Rite

At our meetings concerning the status of the Wichita Scottish Rite we decided that we wanted to keep our building and continue to function as a vital part of the community. Here is an opportunity for us to become better known in the community and to generate a significant amount of revenue for the RiteCare Clinic and ourselves.

This fundraiser will run every Friday, Saturday and Sunday beginning Friday September 30 and ending on Monday October 31 (Halloween) and **WE NEED YOUR HELP!!** We need volunteers to help run this event we will need about 25 members each night to serve as staff for the event. There will be a number of different jobs that you can do from just watching over things to helping get people on the buses. We need you to do two things, first come to Elmo Lodge at 6 pm on Tuesday, September 6 and join us for a potluck dinner and a presentation on what the Wichita Zombie Shoot is and how it will work, you will be impressed! Then we need you to fill out and return the Volunteer Sign Up Sheet. We will also have a lot of events going at the Center during the month of October so we need all hands for this month to help get everything covered so please plan of helping as much as you can during this busy and exciting time!

We all committed to working to keep our building and our Fraternity when we discussed our situation. It is now time to put that commitment to work, don't sit back and let the other guy do it, we need EVERYONE who lives in the Wichita area to step up and help. Those of you who live outside of the area but are within reasonable distance, please consider volunteering for a weekend, we can sure use you and will be happy to have you join us. Whether you work the Zombie Shoot or help cover an event at the Center it will be a big help!
