Automobilia and VMAP

On July 9th, The Automobilia Car Show brought 25,000 people to downtown Wichita. Vintage and antique cars, motorcycles, local bands, and food booths stretched from Old Town west to Topeka. The Wichita Scottish Rite Engagement Committee, a component of VMAP, sold food, adult beverages, and soft drinks, and provided a welcome dose of air conditioning. LeRoy Roseberry 32° prepared the food, Mary Roseberry assisted Bar on Demand with the drinks, and Tony Nelzen KCCH tiled the door. These three, along with Dale Gibson 33° conducted tours of the historic building, which gave them an opportunity to talk about Masonry. Several members of the public expressed interest in becoming Masons.

This is just the beginning of our quest to become more involved in the community and lives of the people of Wichita, and to encourage them to become involved with the Scottish Rite.

VMAP is designed to help each Valley develop a schedule for degree work, education, and member retention and activity, and to provide the very best experience for its members. For more information, visit www.scottishrite.org/vmap.
